AGREEMENT

- I/We hereby authorize Municipal District of Taber to withdraw the monthly tax installment from my/our bank account and further that this authorization will remain in place from year to year unless cancelled by giving (15) days written notice by either myself/us or cancelled by Municipal District of Taber for default of payment as outlined in part 4 herein. The monthly installment will be taken by electronic transfer on the 15th day of each month (or the next available business day).
- Taxpayers wishing to enter into the "TIPP'S" plan for the current year's taxes must do so on or before July 1st of the current year. Any application received after July 1st, payment for the "TIPP'S" plan will commence the following year.
- I/We acknowledge that there may be a difference between the amount paid by installments and the actual tax levy and that adjustments may be necessary. The monthly installment amount for the period January 1st until the date of the Tax Notice being mailed is calculated by dividing the previous year's tax levy by the remaining months in the calendar year. The monthly installment amount after the Tax Notice has been mailed will be calculated by the actual current year's tax levy, subtracting the prior monthly installments that have been received to date (if any), and dividing by the remaining months in the calendar year.
- I/We acknowledge the right for Municipal District of Taber to cancel my/our participation in the Pre-Authorized Tax Payment Plan if any two installments are in default in any six month period. Unpaid taxes as of the date of termination of participation in the Plan will be subject to the Municipal District of Taber's Tax Penalty Bylaw.
- It is the taxpayers responsibility to notify the Municipal District of Taber, in writing, if they sell the property, change banks or bank accounts, or make any other changes that would affect the plan. I/We have the right to receive reimbursement for any PAD that is not authorized or is not consistent with this PAD Agreement.
